

Antigua and Barbuda Meteorological Service

Data Service Policy

All monthly datasets will be made available online via the Antigua and Barbuda Meteorological Service (ABMS) Climate Section (CliSec) Webpage (www.antiguamet.com/Climate). No request is required for these data; however, credit must be referenced as the source of the data in reports and publications where the data are used.

For daily datasets for academic and non-commercial/non-profit purposes, the following conditions apply:

- i. The data cannot be sold or redistributed in whole or part to 3rd parties without the expressed written consent of the ABMS.
- ii. All researched results, including all descriptive and inferential statistics obtained from the data, will be share with the ABMS.
- iii. ABMS must be referenced as the source of the data in reports and publications where the data is used.

A signed agreement to these conditions will be required.

Please address all requests for data to dale_destin@yahoo.com or fax to (268) 462-4606 or deliver to the office of the Antigua and Barbuda Meteorological Service, V. C. Bird International Airport, Coolidge, St. George, Antigua.

In your request please indicate the following:

- The name of your organization
- Your name and position
- The purpose for the data/Research topic
- Enclosed copy of signed "Data Agreement Form"
- Email address
- Physical address
- Phone number
- Description of the data being requested
- When is the data needed
- How do you want the data delivered

All requests will be acknowledged within three days and filled within 10 working days provided all requirements are met by the requestor and the data are available.
